SUSTAINABLE PACKAGING

Plant-Based Tableware & Packaging

Thoughtful materials. Everyday practicality.

Build your food-service range with disposables made from plant-derived materials. Explore bagasse and starch-based options across plates, bowls, food trays, containers and cutlery. Each item is selected against its intended use, with material, dimensions and performance requirements confirmed at quotation.

KEY SPECIFICATIONS

Product range	Plates, bowls, trays, clamshell containers and cutlery
Material options	Bagasse and starch-based materials; varies by item
Sizes	Dimensions and compartment options on request
Temperature suitability	Confirmed for each item and intended use
Food contact	Supporting documentation reviewed for the destination
Compostability	Item-specific test evidence and disposal conditions to be confirmed

PACKING & LOGISTICS

Items can be quoted in bulk carton quantities. Tell us the required item, dimensions, pieces per pack and any branding or carton-marking requirements.

Microwave, freezer, leak-resistance and compostability claims depend on the specific product. Request supporting documentation before choosing an item.

REQUEST A BULK QUOTE

Share your product, volume, destination and preferred pack. MOQ, pricing and lead time are confirmed for your requirements.
