CASTOR OIL

Premium Castor Oil

The right grade for your application.

Source castor oil against the specification your process requires. Discuss cold-pressed supply, First Special Grade (FSG), commercial grades and enquiries for USP/BP specifications. Extraction method, refining level and test parameters are confirmed for the selected grade before order.

KEY SPECIFICATIONS

Product	Castor oil
Grade enquiries	Cold-pressed, FSG, commercial and USP/BP specifications
Applications	Cosmetic formulations, lubricants and industrial processing
Key parameters	Viscosity, acid value and composition agreed by specification
Bulk packing	Steel drums, IBC totes or flexitank options
Documentation	Grade-specific specification, COA and SDS on request

PACKING & LOGISTICS

Select drums, IBC totes or a bulk transport option subject to grade and destination. Share your required volume, handling restrictions and shipment terms.

Grades and extraction methods are distinct options. A pharmaceutical specification enquiry does not establish suitability until the relevant documentation is reviewed.

REQUEST A BULK QUOTE

Share your product, volume, destination and preferred pack. MOQ, pricing and lead time are confirmed for your requirements.
