DEHYDRATED POWDERS

Organic Garlic Powder

Distinctive garlic. Consistent convenience.

Developed for buyers who need the characteristic aroma and flavour of garlic in an easy-to-use dry ingredient. Dehydrated garlic is milled into a cream-coloured powder for seasoning, sauce and prepared-food applications. We work from your required grade and ingredient specification to match the supply to your production needs.

KEY SPECIFICATIONS

Ingredient	Dehydrated garlic
Appearance	Cream to off-white powder
Aroma	Characteristic garlic aroma
Organic supply	Certification and availability confirmed before order
Formulation	Preservative-free and filler-free options on request
